

# Reclosable Fasteners for Point of Purchase and Exhibits

*Hidden strength for multiple openings and closings*

*Graphics panels for backdrops behind athletic shoes are attached to melamine framing with 3M™ Dual Lock™ Low Profile Reclosable Fasteners.*

*For a lightweight, portable exhibit, the hook side of a 3M™ Scotchmate™ Thin Reclosable Fastener is adhered to the back of a flexible graphic and meshes directly with the fabric backwall.*

*Long strips of 3M™ Scotchmate™ Reclosable Hook and Loop Fasteners attach styrene panels to an exhibit frame for quick assembly and disassembly.*

3M Reclosable Fasteners hide beneath the surface. You can eliminate the installation work and weight of screws, bolts and metal closures while keeping surfaces smooth and free of holes and protrusions. Select closure strengths, shapes, thicknesses, opaque or transparent and pressure sensitive adhesive backings to meet varying requirements. Adhesive-backings are available with a selection of characteristics such as bonding to low surface energy plastics, high temperature resistance, plasticizer resistance and more.

Select 3M™ Scotchmate™ Reclosable Fasteners for thousands of easy openings and closings or 3M™ Dual Lock™ Reclosable Fasteners for hundreds of closures with greater holding power.

## 3M™ Reclosable Fasteners for P.O.P. and Exhibits

5

To secure metal edge molding around an internally-illuminated sign, die-cut squares of 3M™ Scotchmate™ Reclosable Hook and Loop Fasteners or 3M™ Dual Lock™ Reclosable Fasteners eliminate the time and labor of unsightly screws. The molding holds the sign face in place. Access for bulb replacement is fast and convenient.

6

Plastic literature racks held to trade show booth tables with 3M™ Scotchmate™ Reclosable Fasteners or 3M™ Dual Lock™ Reclosable Fasteners remove readily for table shipment. Adhesive-backings are available to bond to many plastics including those with low surface energy.

7

Removable plastic display shelves are held securely to a trade show backwall with 3M™ Dual Lock™ Reclosable Fasteners until ready for removal and shipping.

8

3M™ Scotchmate™ Reclosable Fastener secures display transparencies to a light box and allows graphics to be exchanged hundreds of times. The fastener also reduces light leaks around the edges.
